

Purpose -With the object of promoting their co-operation in academic education and research for *Certificate Course in Laboratory Technique*

The forms of Co-operation, within such fields as are mutually acceptable for the Parties, the following forms of co-operation, amongst others, may be pursued hereunder:

Exchange of students, joint teaching activities, joint research activities, visits by, and exchange of scholars, teachers and other staff and sharing the instrumentation facilities.

Preamble

Today country is facing the demand supply mismatch as the economy needs more 'skilled' workers, managers and entrepreneurs than produced annually. The higher education system has to incorporate the requirement of various industries in its curriculum in an innovative and flexible manner while well groomed graduate. In the view of this, UGC implemented the scheme, Deen Dayal Upadhyay centre for knowledge acquisition and up gradation of the human skilled abilities and livelihood (Kaushal). This scheme should play vital role to minimize the gap between demand and supply of industries.

We wish to work sincerely to expand education and training to the students in such a programme having its curriculum as per recent demand of the industrial sector.

Objective

The goal of the MOU is to begin /or to expand the formwork of the cooperation between Rajarshree Shahu Science College, Chandur Rly and Shri Shivaji Science College, Amravati.

The objectives of the MOU are-

1. To design the educational programme considering the need of the industry so that students can get placement.
2. To help in developing the curriculum for the educational programs.
3. To provide the training in specialization area/subjects to the students, as and when required.
4. To train the teaching faculties through workshop/ short term courses time to times.
5. To create the skilled human resource as per need to industry and Government agency.
6. The course also equips candidates with the skills required to handle advanced equipment in laboratory.
7. Assist the student in developing techniques and attitudes for continuing education.

Validity Period

This MoU will be effective from the date of the last signature here to and will remain in force for a time period of five (5) years, with a possibility for renewal at the end of the five-year-period.

Arbitration Clause

In the case of any dispute relating any aspect of the academic cooperation, Principal, Rajarshree Shahu Science College Chandur Rly, and Shri Shivaji Science College, Amravati will join and resolve the dispute in the spirit of independence, mutual respect and shares responsibility .
