SHRI SHIVAJI SCIENCE COLLEGE AMRAVATI

Career Katta Report :-2025-26

Shri Shivaji Science College, Amravati, remains steadfastly committed to the holistic development of its students. To foster essential qualities such as entrepreneurship and professional skill development, the institution consistently organizes a diverse range of competitive events, specialized workshops, and interactive seminars.

Career Katta is a joint initiative of the Maharashtra Information Technology Support Centre (MITSC) and the Department of Higher and Technical Education, Government of Maharashtra. Its primary mission is to foster entrepreneurial skills among the youth and cultivate a workforce of value-added, skilled professionals.

Our college has proactively encouraged student enrollment in this program to ensure they benefit from its diverse offerings. This year, a total of 961 students registered for Career Katta, actively engaging in various online and offline courses and activities throughout the academic session.

Center of Excellence

List of Activities in collaboration with Career katta

Sr. No.	Name of the event	Date	Participants
1.	Information of Career Katta is given to the students in Induction Program	27 Jun 2025	550
2.	Career Sansad Oath Taking Ceremony	15 July 2025	200
3.	Vidyarthi samvad	18 August 2025	250
4.	Eco-friendly Ganesh Idol Campaign	25 August - 27August 2025	155
5.	Guidance For Baramati adhiveshan	11 December 2025	50

7.	Baramati State level Career Sansad Council	3 January 2026 -7January 2026	9
8.	Visionary Ventures 2.0	9 January 2026	25
9.	National Students Congress	23 -24 January 2026	375
10.	Divisional Award Ceremony	04 March 2026	9

1) INDUCTION PROGRAM

During the induction program for first-year students titled “Man Se Manzil Tak,” detailed information about Career Katta was shared with the students. The session aimed to create awareness about the various opportunities and resources available through Career Katta for students' career development. Students were informed about the different facilities, guidance programs, and activities conducted under Career Katta to help them explore career options, develop essential skills, and prepare for competitive examinations. The benefits of participating in Career Katta, such as mentorship, career guidance, skill development sessions, and access to useful learning resources, were also explained to encourage students to actively take part in these initiatives.

2) Oath Taking Ceremony Of Career Sansad

The oath-taking ceremony of the 'Career Sansad' (Career Parliament) initiative was held with great dignity and discipline on July 15, 2025, at Shri Shivaji Science College, Amravati, run by Shri Shivaji Education Society. The event was organized to coincide with World Youth Skills Day. This parliament has been established under the 'Career Katta' initiative, a joint venture of the Department of Higher and Technical Education, Government of Maharashtra, and the Maharashtra Information Technology Support Centre (MITSC).

The program, held at the college's 'Sir C.V. Raman' Audio-Visual Hall, was presided over by Dr. S. P. Ingole, IQAC Coordinator and Head of the Department of Environmental Science. In her presidential address, she congratulated the students and inspired them to fulfill their new responsibilities capably.

Engr. Preeti Bhatkar-More, Director of Urja Swaraj LLP, attended as the Chief Guest. She delivered an insightful session on "Solar Energy: A Source of Entrepreneurship," drawing students' attention to the benefits, necessity, and future opportunities within the solar energy sector.

A total of 10 Ministers and 5 Members took the oath for the Career Sansad. The key office bearers are as follows:

* Piyush Raipur: Chief Minister

* Prasad Kadu: Minister of Planning

* Snehal Pawar: Minister of Law and Discipline

* Harshal Sonone: Minister of General Administration

* Yash Thokal: Minister of Information and Broadcasting

* Shrihari Pawar :- Minister of Entrepreneurship Development

* Ishwari Sabale: Minister of Employment and Self-Employment

*** Mayank Athawale: Minister of Skill Development**

*** Ishwari Nagpure: Minister of Parliamentary Affairs**

*** Rajeshwari Kanhilkar: Minister of Women and Child Welfare**

All ministers and members were presented with appointment letters and certificates.

3)Vidhyarthi Samvad

The "Student Dialogue" (Vidhyarthi Samvad) program, held on August 18, 2025, represented a significant milestone in the ongoing efforts of Shri Shivaji Science College, Amravati, to foster academic excellence and career readiness. Organized

under the prestigious DBT Star College Scheme in collaboration with Career Katta—a joint initiative of the Maharashtra Department of Higher and Technical Education and the Maharashtra Information Technology Support Centre (MITSC)—the event successfully engaged hundreds of students from the college and its regional cluster. The proceedings commenced with a solemn tribute to the institute's founder, Krishiratna Dr. Panjabrao alias Bhausaheb Deshmukh, and Sant Gadge Baba, setting a tone of cultural and educational dedication. Under the guidance of Principal Dr. G. V. Korpe and the coordination of Dr. Dinesh Khedkar, the program provided a dynamic platform for interaction between students and industry leaders.

The keynote address delivered by Hon. Yashwant Shitole, President of MITSC, served as the centerpiece of the event, offering students practical insights into navigating the modern professional landscape. He emphasized that the current era demands proactive skill acquisition and timely career planning. Following the main session, Mr. Shitole conducted a strategic meeting with the 'Career Sansad' (Career Parliament) office bearers, discussing entrepreneurship and future industrial challenges. The event also celebrated environmental stewardship through the prize distribution for the 'Solar Energy Awareness Program 2025', where Shri Shivaji Science College was honored with the Second Prize at the state level, and B.Sc. Forensic Science student Ms. Gargi Ravindra Dahake secured the Third Prize in the district.

The success of the program underscores the college's status as a 'Center of Excellence' for Career Katta, a title it has maintained for three consecutive years. By integrating students from nearby institutions into a collaborative cluster, the college has solidified its role as a regional hub for leadership and vocational development. Presided over by IQAC Coordinator Dr. S. P. Ingole and introduced by Dr. Rekha Maggirwar, the ceremony was seamlessly moderated by the Career Sansad's Minister of Employment, Ms. Ishwari Sunil Sabale. The event concluded with a vote of thanks from Mr. Prasad Kadu, acknowledging the collective contributions of the Career Katta committee members and faculty, ensuring that the dialogue remains a catalyst for the students' future professional success.

4)Eco-friendly Ganesh Idol Campaign

Joint Initiative: Career Sansad & 'Eco-Friends' (Dept. of Botany)

The student officials of the Career Sansad collaborated with 'Eco-Friends', a dedicated activity group of the Department of Botany, to actively support and promote the 'Clay Ganapati' (Mati che Ganpati) Campaign.

The primary objective of this collaboration was to advocate for environmental preservation by discouraging the use of Plaster of Paris (PoP) idols. During the campaign, the student leaders conducted awareness sessions to educate the public on the ecological benefits of Shadu Clay idols. They emphasized that, unlike PoP, clay idols are non-toxic, eco-friendly, and dissolve quickly in water, preventing the pollution of local water bodies and protecting aquatic life.

Entrepreneurial Learning and Strategic Insights:- Beyond the environmental mission, this initiative served as a practical learning platform for the Career Sansad officials. By participating in the organization and outreach of the campaign, the students

gained valuable insights into Green Entrepreneurship. They acquired firsthand knowledge of:

- Operational Strategies: Understanding how to manage large-scale awareness drives and community projects.

- Market Strategies: Learning how to promote sustainable products (clay idols) as a viable alternative to conventional options.

- Leadership & Collaboration: Effectively working across departments to achieve a common social and professional goal.

This collaboration successfully merged environmental responsibility with the development of professional business strategies, further strengthening the students' leadership and entrepreneurial capabilities.

5) Guidance Session For Baramati Council

On December 11, 2025, the Career Katta Committee of Shri Shivaji Science College, Amravati, conducted a special guidance session for the elected members of the Career Sansad to prepare them for the upcoming Annual Convention. The session attracted a diverse group of student representatives from Amravati, Chandur Bazar, Badnera, and Chandur Railway. Hon. Yashwant Shitole, the State Coordinator of Career Katta, served as the guest of honor and delivered a motivating address, highlighting the convention as a pivotal platform for developing leadership and communication skills. He encouraged students to engage fully with the opportunities provided and to share their acquired knowledge with their peers upon returning to their respective colleges.

The event also featured an interactive session with Ms. Sanika Khan, who was formally felicitated for her prestigious achievement in representing the Amravati division in New Delhi. She credited Career Katta for the national-level exposure that facilitated her success. Adding to the motivational tone, Divisional Coordinator Dr. Dinesh Khedkar reminded the attendees that they serve as brand ambassadors for their institutions, noting that true leadership begins with setting an example for the development of fellow students. The program, attended by District Coordinator Dr. Umesh Kanerkar and Taluka Coordinator Dr. Mamta Palaspagar, was expertly moderated by Dr. Mayura Deshmukh and concluded with strong support from the entire college committee, successfully equipping the student leaders for their future

roles.

6)AWS Career Tour

On the occasion of National Mathematics Day on December 22, 2025, a specialized educational initiative titled "AWS Career Tour" was organized under the Career Katta –a collaborative venture of the Department of Higher and Technical Education, Government of Maharashtra, and the Maharashtra Information Technology Support Centre (MITSC).

Shri Shivaji Science College, Amravati, demonstrated exceptional participation in this initiative, with approximately 165 students enrolling in the program. The "AWS Career Tour" provided students with a comprehensive digital learning experience, focusing on cloud computing, emerging technologies, and modern career pathways. All 165 participants from the college successfully completed the modules and were awarded professional certificates, marking a significant step toward enhancing their technical literacy and global employability.

7) State Level Career Sansad Convention at Baramati

Maharashtra State Higher and Technical Education Department and the Maharashtra Information Technology Support Centre are jointly organized a State-Level convention of the office-bearers of the Career Sansad under the "Career Katta" initiative. The conference was held at Shardabai Pawar Women's College, Shardanagar, Baramati, from 3rd January to 7th January 2026.

In This State Level Convention 9 Official of career Sansad from Shri Shivaji Science College Amravati was participated. And 2 Faculty members are registered for an AI Teacher Faculty Development Program (FDP), approved by the University Grants Commission guidelines, will be conducted.

Our college was awarded with Centre Of Excellence by the Career Katta

8) Visionary Venture 2.0

A one-day workshop and entrepreneurship competition based on the innovative concept of 'Visionary Ventures' was held at the Sir C.V. Raman Auditorium of Shri Shivaji Science College, Amravati. The event aimed to promote startups, innovation, and self-employment while providing direct financial assistance to young entrepreneurs.

The workshop and competition were organized jointly by the Student Development Cell, Startup and Entrepreneurship Development Cell, and Career Katta. The initiative was designed to provide financial support to aspiring students through the PM-Usha, DBT Star, and Career Katta schemes to help them start their own businesses.

Principal Dr. G.V. Korpe presided over the event. Amol Hirulkar, Business Incubation Manager and Research Incubation Cell of Sant Gadge Baba Amravati University, attended as the chief guest and keynote speaker. Ashwin Bhosle, System Administrator at P.R. Pote Patil College of Engineering and Management, and Aniruddha Shelotkar from Cybage Software Pvt. Ltd., Pune, served as the examiners.

Competition Highlights

* Participation: 23 teams of young entrepreneurs participated in the competition.

* Awards: The top five winning teams were honored with grant cheques presented by the dignitaries.

* Winning Team Members: The winning team was led by student Deepali Dilip Datir, and included members Samruddhi Pravin Sonone, Khushi Rajendra Gupta, Jiya Dahake, and Ishwari Sabale.

The concluding program featured Dr. Ajay Lad, Director of the Innovation, Incubation, and Linkages Board of Amravati University, as the chief guest. Cheques and prizes were distributed by the Principal and special guests.

9) National Students Congress (NSC 2K26)

Shri Shivaji Science College Amravati organised National Student Congress on 23 and 24 January 2026 collaboration with PM Usha , DBT Star College ,Career Katta and Sant Gadge Baba Amravati University Amravati.

National Students Congress was A national platform to inspire creativity, spark innovation, and ignite exploration among young minds.Students from diverse disciplines unite to showcase models, research ideas, and innovations driving sustainable and scientific progress for our nation - The Bharat.

This platform was set to be a significant milestone for undergraduate, postgraduate, and research-level students from across India, focusing on innovation, research, startups, and entrepreneurship.

The primary objective of this National Student Congress was to provide a platform for student ideas, give direction to research, and create opportunities for innovation. In line with the National Education Policy (NEP) 2020, the event aims to promote multidisciplinary education, skill-based research, and entrepreneurship.

Inauguration Ceremony

The NSC 2K26 was inaugurated on January 23 at 11:00 AM at the 'Anant-The Infinity Hall' of Shri Shivaji Science College. Harshvardhan Deshmukh, President of the Shri Shivaji Education Society, will preside over the function. The conference will be officially inaugurated by Dr. Milind Barhate, Vice-Chancellor of Sant Gadge Baba Amravati University.

Distinguished guests and guides for the event include:

Dr. Yogesh Brahmankar (Inno-vision Director, Ministry of Education, Govt. of India), who will deliver a keynote address on Prototype to Prosperity: Scalable Solutions for Local Innovations.

Respected. Yashwant Shitole (President MITSC)

Global and National Experts

Several national and international experts from various fields were attend, including:

- 1) Yatin Duggal (National Head, Developed Bharat Leadership Council).
- 2) Dr. Ajitesh Lunge (Founder & CEO, Locksmith Bio Inc., San Francisco, USA).
- 3) Dr. Santosh Chavan (Managing Director, Farmer's Veranda Agrisolutions Producer Co. Ltd., Malegaon).
- 4) Dr. Afaq Khan (Senior Scientist – Proteomics, Sultan Qaboos Comprehensive Cancer Center, Muscat, Oman).

Events and Activities

The National Student Congress was feature technical sessions, oral and poster presentations, and exhibitions of models and prototypes. Students from across the country will present their work on diverse topics such as: Agriculture-Technology, Health, Environment, Artificial Intelligence (AI), Data Science, Biotechnology, Renewable Energy, and Social Innovation.

Valedictory Session

The concluding ceremony and prize distribution was held on January 24, 2026, at 4:00 PM. Hemant Kalmegh, Executive Member of Shri Shivaji Education Society, was chair the session.

Other prominent attendees will include:

- 1)Dr. Mahendra Dhore, Pro-Vice-Chancellor, Sant Gadge Baba Amravati University.
- 2)Dr. Poonam Bhoyar Thakre, Pro-Vice-Chancellor, Indira University, Pune.

During the valedictory session, students who excel in research, innovation, posters, models, and prototype presentations were honored with prizes and certificates. Total 375 young scientists from across the country were participated in this significant educational and research initiative.
